**Product Code: 20FSA** 

Weight: 0.00kg

**Dimensions:** 0.00cm x 0.00cm x 0.00cm

**Price: \$59.99** 

## **Short Description**

Connects your Sniper Level to your ACI or ADI.

## **Features**

Want to make your Flatline Ops ACCU/LEVEL<sup>TM</sup> even more precise? Just add the STRONG ARM<sup>TM</sup>. The STRONG ARM<sup>TM</sup> mounts quick and easy onto accessory dove tail of the ACCU/LEVEL<sup>TM</sup>. It positions your ADI for unobstructed view of uphill and downhill trajectory angles. Made of 6061-T6 aircraft aluminum, you will know why its called the STRONG ARM<sup>TM</sup>. Each STRONG ARM<sup>TM</sup> is hard anodized with a military spec finish and boasts all stainless steel hardware.

STRONG ARM<sup>TM</sup> is interchangeable with any size ACCU/LEVEL<sup>TM</sup>. If you have multiple firearms with different ACCU/LEVEL<sup>TM</sup> sizes, you can move one STRONG ARM<sup>TM</sup> and ADI between them all.
